GENERAL TERMS OF SERVICE

- Please use the [provided form](#) for your commission request. If you have any questions, please leave them in the form OR send inquiries via email.
- Total payment upfront OR a 50% down payment on any commission over \$100 are required before I start on your piece. **I do not offer full refunds if I've worked beyond the sketch of your commission.** I always share the sketch, flats, and more updates can be requested. Partial refunds ARE negotiable at client's request. Payment plans may be accommodated. The finished, unwatermarked, full resolution artwork will only be shared once payment is complete.
- Turnaround: **PLEASE communicate upfront if there is a specific deadline.** Turnaround time is normally between two weeks to one month, and may go over depending on extenuating circumstances. Rush fees may apply if the commission needs to be completed in under one month.
- **Please be mindful of my privacy.** Please refrain from contacting me for non-commission matters, requesting updates in excess. Commission related questions can be sent via my email.
- **Any artwork commissioned may NOT be resold or used for profit without my prior knowledge or consent.** Licensing or royalty contracts may be discussed if the artwork is to be

used for a for profit project. **This includes usage for artificial intelligence (AI) machine learning engines.** Personal use (social media display, at home printing, etc.) and repost **WITH credit** is OK, and encouraged!

- **I will not accept AI images as reference material.** Any requests made with the use of AI will be refused without exception.
 - **EDITS:** I always send a sketch first, so PLEASE ask for any major changes then. After the piece is finished, small changes (missing markings, color correction, etc.) can be done for free. **Major edits start at \$15 per edit**, and may increase depending on labor required.
 - I retain the right to refuse any client or request at my personal discretion.

I'm happy to collaborate and discuss ideas, as well as larger long term projects. My favorite things to draw are queer themes, BDSM, hard kink, fanart, teratophilia, and crossdressing. I enjoy drawing a broad range of subjects and am open to most kinks, but I am especially enthusiastic about those mentioned. Please do not hesitate to request examples or ask about something I haven't drawn before. I appreciate your consideration!

*NSFW examples are available upon request. **By commissioning any artwork from me you are agreeing that you are 18 years or older, and that you may be asked to provide proof of age.**
