

Lincoln County Wellness Committee

The Wellness Committee is responsible for overseeing the implementation of the Wellness Program and compliance with the Wellness Policy, including the oversight of the development of goals of the Program and procedures for evaluation and measurement of the Program. The committee may consist of representatives from the School System and the community. Committee members are asked to commit to serving on the committee for at least two years. If you are interested in serving as a member of the Wellness Committee, please fill out the form. Nomination Form located on the Lincoln County Nutrition Services webpage under the Wellness Policy tab (link provided below). Email a completed nomination form to Latoya Singleton at lsingleton@lcboe.us, Lincoln County Wellness Policy
