Class Routines

Warm-Up: Students work on Iknowit.com, Quizizz, Ed-Puzzle

Direct Instruction: Teacher delivers instruction to groups and individuals based on the goals and curriculum for the day.

Group Work

Students work on activities together to build relationships and communication skills while developing their academic and daily living and transition/ vocational skills.

Goal Work: Each student works on their individual goals. Students will do assignments based on their individual pace and goals in the classroom

Grades: Students will receive an A for participation and working on their IEP goals combined. Grades may depend on the IEP team decision

Welcome Students and Families,

I am excited to go on this journey with you for our 2025-2026 school year.

We have a lot to learn together this year as we go on this EPIC learning journey.
