Fees

Member teachers submitting students must pay \$20 to register. This is a reduction from the usual \$30 for in-person events. Member teachers submitting students must also be prepared to have a judging assignment. (See below.)

Students must pay \$20 per category. If a student is in 2 or more categories, the cost is a total of \$40. We are offering a flat rate of \$40 instead of charging an additional \$20 for each additional category. (This is an online audition discount for those in 3 or more categories.)

Frequently Asked Questions (FAQ)

I have been in communication with some people and here are some FAQs and answers.

Can I change repertoire and videos? or Can I use the same videos from the district auditions?

Yes. Repertoire and videos can be changed or reused, but be sure to follow the video submission regulations, here. <https://www.nats.org/NSA - You Tube Round Video Submissions.html>

If you are using old videos, update the listing so your district may not be identified (i.e. change “VA NATS” to MAR NATS”).

Also, repertoire selected at the region audition must stay the same moving forward to the national auditions.

Can you help me find where to register? I can only see my district information.

Yes. Please refer to this tutorial to find AuditionWare:

https://www.nats.org/Library/NSA_Files/Accessing_the_NATS_Auditions_Registration_System_-_PDF_instructions.pdf

Once you are there, be sure to switch to the region event:

<https://static1.squarespace.com/static/55dcbf78e4b06ca193486d16/t/6037cef6ace351481cc1c962/1614270199018/MAR+NATS+TUTORIAL+Switch+from+district+to+region+%281%29.pdf>

If you continue to have issues, please reach out to your District officers or to me for help. Sometimes it is helpful to have a colleague talk you through it.

Let me know if you have additional questions. Here is how to reach me: email: jlewis@csuniv.edu; text: 843.870.4547
