Haai, is dit Louis?" , Haai Louis, ek is Joshua Basson. Ek weet jy is besig, so ek sal dit onder 60 sekondes hou.

*I run a social media marketing agency, and I came across your business here in Knysna. We have had your filters at our home for years now. I work with several local businesses on their social media presence, and I noticed that you guys aren't as active online as you could be. I believe this could be holding back your growth."*

*"What I'd love to do is offer you a quick, no-strings-attached 10-minute call where I can explain what we could do to get you more visibility and, ultimately, more customers. No obligation—just free value upfront to show you what's possible."*

*"Great! I know trust isn't built overnight, so I'd like to start by providing a free service—let me show you what I can do without you having to spend anything upfront. If you're happy with the results, we can talk about working together long-term. How does that sound?"*
