Subject: PACs

Fauzeyya,

My name is Beto O'Rourke and I was forwarded your question from John Meza. Here is my statement on your request about being one of 2 members who don't take PAC money:

What I should have said is that there are only two members of Congress who do not take PAC money and who also do not have a leadership PAC (which gives PAC contributions to other members), myself and Ro Khanna.

There are four members of Congress (based on the Open Secrets website) who did not take PAC money in the last cycle (either to their Congressional campaign or to their leadership PAC if they had one) - myself, Ro Khanna, John Sarbanes and Francis Rooney. Both Sarbanes and Rooney have PACs themselves that make PAC contributions to other candidates.

My comments going forward will reflect this.

Thanks for asking.

Beto
