

BLOG BATTLE

Choose a partner to work with for your blog battle. Make a copy of this doc. In the table below are some prizes for quality blog posts and some traps that can lose you points.

You need to hunt through your partner's blog to find evidence for as many of the categories as you can. Add up your points at the end and share your doc with your buddy to see who wins the smart footprint prize.

Blogger A vs Blogger B
(you only need to fill in the column for your buddy)

	Blogger A	Blogger B
Points won		
Points lost		
Total		

Screenshot of your evidence

A post where the readers have been asked a question.
+ 15 points

Screenshot of your evidence

Full name or other private information on blog.
- 10 points

Screenshot of your evidence

3 latest blog posts all have tags.
+15 points

Screenshot of your evidence

Last 3 blog posts all have appropriate titles and at least one is exciting or funny.
+ 15 points

Screenshot of your evidence

Last post explains what they were learning, what was fun and what was challenging.
+ 20 points

Screenshot of your evidence

Blog profile is out of date e.g. from last year
- 5 points
