RESEARCH ETHICS OFFICE

APPLICATION FOR ETHICAL REVIEW
OF CONTINUING RESEARCH
for graduate/undergraduate student research

Note to the Research Project Leader:
Use this form if your research has been previously given a Certificate of Approval but your research has not been implemented within the validity of the certificate. You are submitting an application for extension of research work not anymore covered due to expiry of the previous approved ethical clearance. This application reactivates the validity of the approval of your study protocol and ensures that the merits of the approved study protocol are still the same. Please submit this form together with the required documents below.
