The 2023 AP Exams will be administered in school as paper and pencil exams during the first two weeks of May: May 1 – 5 and May 8 – 12. AP students will log into their CollegeBoard accounts to access AP exam information and material for their AP courses. Please follow these directions to set up or retrieve your account with CollegeBoard and access AP exam information and course material for your AP courses:

Action Items for Students:

- AP teachers will provide students with a join code specific to their class and period.
- Follow prompts in your CollegeBoard account to join courses by **Wednesday, March 15, 2023.** **Students will automatically be registered to take the AP exam for each course they “join.”**
- If you do not desire to take the AP exam, please complete this [form \(AP Opt-Out Form\)](#) by **Wednesday, March 15, 2023.** **The CollegeBoard unused/cancelled exam fee for this school year is \$40.** Students who do not complete the Google form (above) by March 15th and do not take the AP exam for a 2nd semester class will be responsible for paying the \$40 fee.
- *Joining a class will allow students access to a set of resources designed to provide them with practice opportunities and feedback throughout the year.

As part of registering for a College Board Advanced Placement course offered by Cary High School, all teachers and administrators expect students to prepare for and take the AP exams for each corresponding course in May. Teachers dedicate considerable classroom instruction time to helping ensure that students are prepared for their AP exams. In addition, research shows that students who take their AP exams, regardless of their final score on College Board tests, perform at higher levels in college and graduate at a much higher four-year rate compared to peers who opt out of their AP exams.

*Though it is not suggested, families may request to opt their student out of taking an AP College Board exam. Having heard and understood the information articulated regarding our child's College Board Advanced Placement testing expectation, we choose to exercise the option **NOT** to have our child take the AP exam. We understand that if our child changes her/his mind at a later date, the option to take the exam may no longer be available and there will be a late fee of \$40.*
