

Summer Reading Honors FOL (9th grade)

Reading requirements apply to all students taking Honors English courses. The reading should be completed before you begin your class, whether it is in the fall or spring semester.

Choose a text (fiction or nonfiction) that interests you. It should be a text that is appropriate for ninth grade, both in content and reading level. Upon completion of your text, you will be asked to complete the following assignment.

Memorable Quotes

1. While you are reading your text, identify five memorable quotes. These quotes should resonate with you and have significant meaning to you or to the story.
2. Create a Google Doc and record each quote.
3. Describe the significance of each quote you select answering the following two questions?
 - a. Why is this quote significant to you?
 - b. How is this quote significant to the larger text?
