

DANTE PURIFIE

SALVADOR DALI

Salvador Domènec Felip Jacint Dalí i Domènech, Marquis de Púbol was born on May 11, 1904 and died on January 23, 1989. He's commonly known as **Salvador Dalí** . He was a prominent Spanish Catalan surrealist painter born in Figueres.

There is a rare dragon with a hole located in the stomach.

There is a figure observing from the hole.

It's very small.

I like the painting because it's very nice.
