

Jesus on Colfax serves people experiencing homelessness, those impacted by sexual exploitation, and our immigrant and refugee neighbors along East Colfax. Our mission is simple: to show up, love people, build relationships, and cultivate well-being.

We believe the local church is essential in this work, and we'd love to invite your church into an opportunity to partner with us. This isn't just about meeting needs, it's about providing a space for people to learn how to serve those on the margins, gain confidence in building relationships, and grow in having gospel conversations.

Opportunities to Partner:

- 1. Equip** – We'll help your church serve the materially poor in a holistic, relational, and dignity-restoring way. We can lead trainings or speak at your church.
- 2. Activate** – We'll create safe, structured opportunities for your congregation to serve all year long with activities like Tuesday night Community Meals, stocking our Family Room store, or making burritos for our outreach team.
- 3. Mission Teams** – Bring your youth group, small group, or missions committee for a short-term trip to East Colfax. We'll design a week or few day experience that blends hands-on service with practical training, so participants leave better equipped and more confident to engage people in gospel-centered relationships wherever they live.
- 4. Inform** – We'll keep your church updated with stories of impact, showing exactly how your partnership is changing lives on East Colfax.

How Your Church Can Join In:

- [Host us](#) to speak or lead a training
- Serve a [Tuesday evening meal](#) with us
- Bring a group or for a [short-term trip](#)
- Individual [volunteering opportunities](#)
- Have your youth group make burritos

- Provide [financial support](#)
- Host a Rally Box for clothing, hygiene items, food items for the Family Room Store
- Drink the best coffee (See the flyer for details and coupon code) and support life change by buying coffee from our social enterprise, [Jubilee Coffee Co.](#)
- Jubilee also has a coffee cart that will raise your event to the next level. Email matt@jubileeroastingco.com to set that up.

- Share stories and opportunities with your congregation

We believe this is Kingdom work we can do better together.

Let's link arms to love our neighbors well,

Kayla Horne
