

MAGGIE STEWART WOLFE

(Major Lead)

DESCRIPTION

Maggie Stewart, who later becomes Maggie Wolfe, is [Mayor John Stewart](#)'s daughter. Though a privileged socialite she's more rough and tumble, white trash from money with a self-destructive danger-seeking addiction. Bad boys are her biggest downfall, the badder the better. This living-on-the-edge stems from the fact that she was gang raped as a teenager by members of a rival highschool football team led by Rane and has become promiscuous as a means to re-live that moment in her life but with her in full control thus making her a venomous heartbreaker.

She's sultry and self-confident, witty and if pissed she's a bitch to be reckoned with.
