

Privacy policy

This privacy policy is used to inform our website visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

Information Collection and Use

We may collect your personal data as follows while we are providing services. These data is critical for us to realize various functions of this Product. We will use these data to help us develop and improve our products to provide better services. We will use your personal data in strict compliance with the purposes set forth in this Policy. We will inform you in advance and obtain your consent before we use these data for any other purposes than set forth in this Policy or we use the personal data collected for specific purposes for other purposes.

a. General principle

In general, you can visit and read most parts of our website contents without providing any personal data.

b. Statistical data

For the process of retrieving your requested information from our websites, our servers store certain data needed for service delivery. In this context general information is recorded, such as your domain name or browser type. These data do not enable us to draw conclusions regarding your identity; they are always collected under a pseudonym.

Cookies

Cookie is a small piece of text sent to a browser by a website visited by a user. It helps the browser to record user access information, such as preferred language and other settings. In this way, users will have an easier and more practical experience when they visit the same website the next time. Cookie play a vital role. The app may use third party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Security

Personal data we collect are stored on specially protected servers. Access is restricted to a limited number of authorized persons who need the access in order to administer our websites or ensure their proper functionality, especially with regard to technical support.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
