

OAKTRIBE CANVA TEMPLATE CHEATSHEET

Use these templates to customize with your own content and branding. I only ask that you also contribute any new content, classes, scripts, and support towards our Oaktribe Brand Partners FB group. A lot of hands make the load light. I truly value the team that we have built and your support doesn't go unnoticed. So thank you for all that you do for our united Oaktribe.

** These templates and graphics can also be found in our FB group under guide 12 for further instructions
