

S.L:What is WRONG with your IG caption

Dear Heather,

While searching on Google I came across your website which was good, then I got curious to know you better, so I went to your Instagram page love-filled life.

And it was funny how you mentioned B.D sex in your last reel video.

Then I noticed there's one critical mistake you're making in your IG caption, costing you leads and sales.

And I can tell you for sure, fixing this issue will turn your marketing around to generate a more convergent rate to your website.

I'd love to share my insights with you about what you're doing wrong, and show you how to fix this mistake.

If you're interested in sharing my insight I can send over what a good caption looks like.

PS: I wrote some part of the solutions, just tell me if you want me to send it over.

Best regards,

AHMAD.
