

YOU'RE INVITED TO THE VIRAL XCELERATOR

—THE COMPLETE SYSTEM FOR X CREATORS AND GHOSTWRITERS TO MASTER AND MONETIZE THROUGH VIRAL THREAD.

Works in every niche—business, finance, crypto, health, and psychology...

(2 slots left) – Last Updated Aug 2, 2025

You have talent, ambition, and your content is doing well... But getting into ghostwriting and building a scalable business on X **without** working 100 hours a week and 24/7 stressed feels so far-fetched?

There are various paths for the typical creator/founder/ghostwriter, but the highest leverage in 2025 must be mastering viral X threads.

500,000, 1,000,000, 10,000,000 views...

Here's the math:

One viral 1M views thread can bring about 30k views on your CTA, and with a standard click-through rate of 2%, you can expect 600 clicks on a high ticket offer, and on a conservative conversion rate of 2%, your client can earn \$5,000-\$10,000 from ONE thread.

Now, if your client made \$2000 - \$5000 from ONE thread, would they budge to pay you \$300, \$500, or even \$1000 per thread?

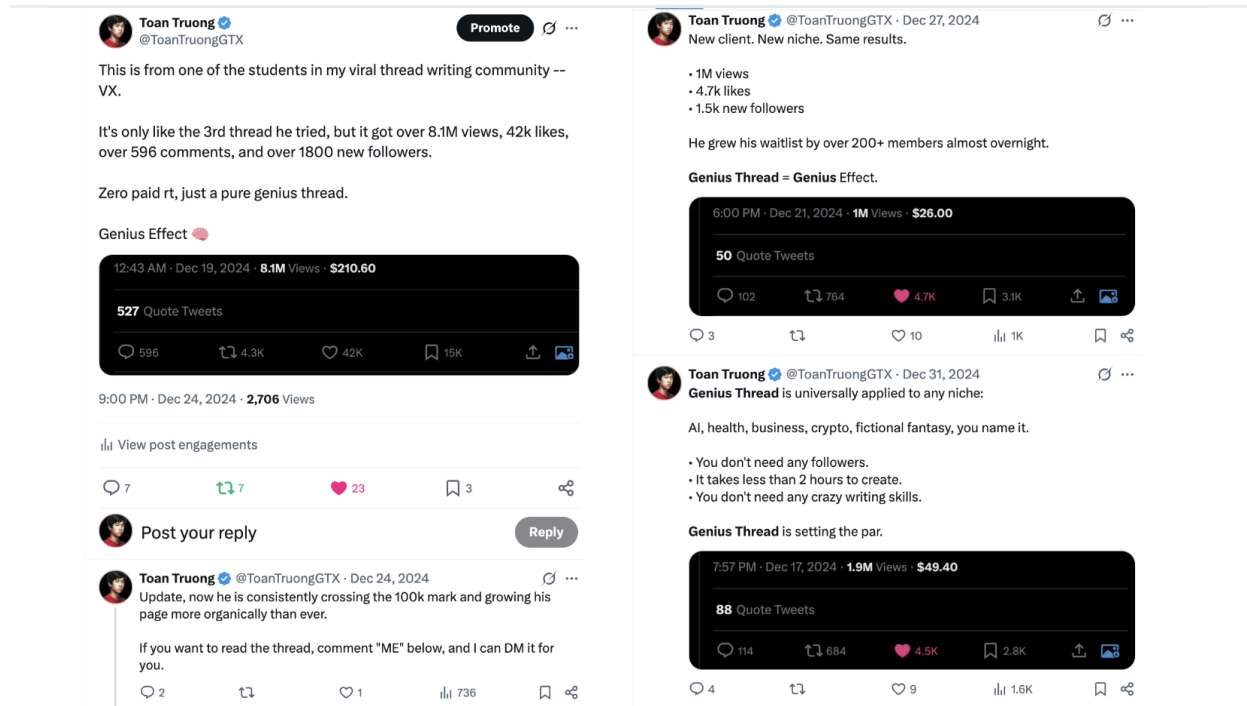

The best part? It takes under 4 hours to create a thread.

A viral **Genius Thread** is a win-win for both you and your client.

But I get it... You're still on the fence with doubts:

- "I don't know how to get my thread viral to build credibility."
- "I lack the content system to produce a large volume of threads."
- "I can't find clients without a portfolio of proven content."
- "I want to make ghostwriting my career, but I don't know where to start."

Well, you're in the right place...

Viral Xcelerator is the Harvard of Viral Thread.

Period.

Over 85% of the most viral threads on your timeline (over 3M views) were from our circle—either it's one of our students or through our distribution network of +2.4M followers.

I don't care if you become a ghostwriter or not. What I care about is that I will successfully teach you a **high-income skill** that will serve you for life.

- Learn from the best in the game
- Connect with experienced ghostwriters
- Gain real-world experience and build your portfolio within weeks.

VX is a Skool community designed for existing X creators and aspiring ghostwriters:

- Providing the roadmap to build viral thread writing skills
- Create a compelling professional portfolio
- Connect with high-paying clients

...all within 30 - 60 days.

YOUR INSTRUCTOR

Brought to you by me [Toan Truong](#) the writer behind [Genius Thinking](#) and the ghostwriter for some of your favorite creators on X— combined over 1.4M followers on X.

Over the last 12 months, I have worked with multiple agencies and gained over 800 million impressions and 300,000 followers across my pages, as well as for clients utilizing the **Genius Thread™** method.

Here is my portfolio—due to NDAs signed, I can only showcase a few client threads: [here](#)

Below are a few more results from the last 6 months:

"I've hired 40+ writers over the past few years (across multiple business verticals), and Toan (GeniusGTX) is by far one of the best. Especially when it comes to constructing viral-worthy threads on social platforms. Can't recommend enough! —Nicolas...

Toan is the best viral writer I know of. I've coached over 100 students and collaborated with many of the top creators on X and LinkedIn. Not many of them can consistently go viral on demand, get millions of impressions per month, and attract followers like Toan. He's my go to person for viral content consulting. And I don't see that ever changing in the future.

Toan helped me craft a winning thread that filled all the seats for a masterclass series I launched. It also drove just under 25,000 new followers to my account in 48 hours. We collaborated on the body of the thread with sourced videos and compelling copy that engaged readers and kept reader retention all the way through. I would definitely recommend his services!

GeniusGTX is one of the few accounts on X that creates insightful content. Compared to other accounts, its content is valuable and doesn't sound like it's been written by AI, which is very rare to find on X.

I would definitely recommend their content because I believe every person would benefit from reading it.

There's just some magic sauce in them that makes every single one enjoyable to read. 10/10 would recommend.

THE JOURNEY IS SELF-PACED, BUT GENERALLY, HERE'S THE STANDARD TIMELINE:

Not every member will graduate. VX requires real-time commitment and dedication to get great results.

Phase 1: (Week 1-4) - Mastering Viral Foundations

- **Learn the psychology behind viral content** - Master the science of what makes people share, giving you predictable results instead of random success.
- **Practice writing high-conversion hooks and threads** - Perfect the crucial opening lines that determine whether your content succeeds or fails.

- **Understand audience engagement metrics** - Leverage data-driven writing techniques that consistently outperform gut instinct.
- **Develop your unique writing voice** - Create a distinctive style that attracts ideal clients who value your specific approach.

Phase 2: (Weeks 5-10) - Portfolio Building

- **Create sample threads for different niches** - Build versatility that dramatically increases your market value across multiple industries.
- **Get real performance data on your writing** - Collect compelling metrics that transform you from "just another writer" to a strategic asset worth investing in.
- **Receive expert feedback to refine your style** - Accelerate your growth through professional guidance that typically takes writers years to discover independently.
- **Start developing your ghostwriter brand** - Position yourself strategically to attract better clients automatically.

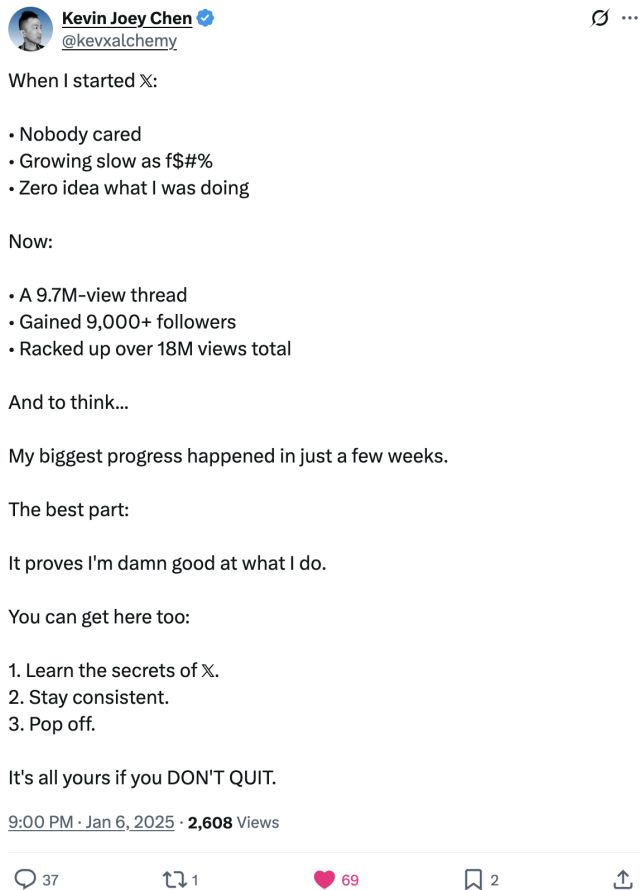

Phase 3: (Weeks 11-20) - Career Launch

- **Learn how to price your services competitively** - Master value-based pricing that helps you earn 3- 5x more than writers who charge by word count.
- **Master client acquisition techniques** - Implement a proven system for attracting new business that eliminates the feast-or-famine cycle.
- **Develop systems to deliver consistent results** - Build reliability that positions you for long-term contracts rather than one-off projects.
- **Create scalable processes to handle multiple clients** - Establish workflows that maximize your productivity and effective hourly rate.

Phase 4: (Beyond Week 20) - Business Scaling

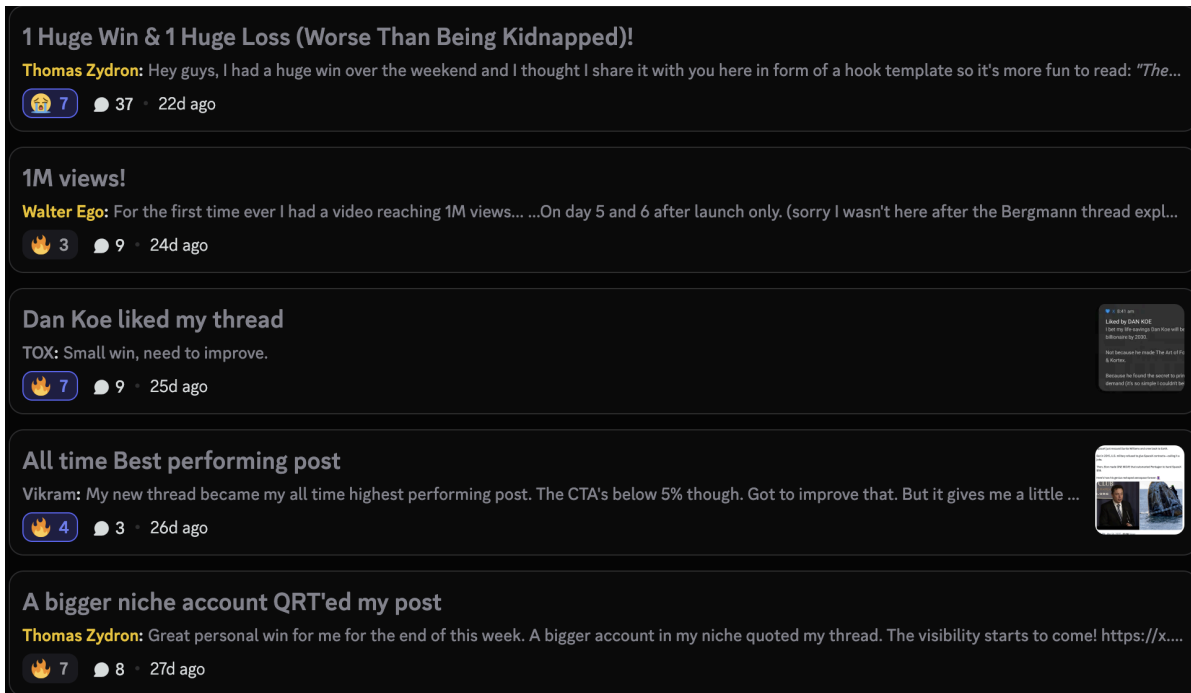

- **Build a team of writers under your brand** - Transition from trading time for money to earning from the efforts of multiple writers.
- **Develop premium service offerings** - Create high-value, comprehensive solutions that significantly increase your average client value.
- **Create recurring revenue streams** - Establish monthly retainer arrangements that provide stability and predictable income.
- **Position yourself as an industry authority** - Become a recognized expert with access to higher-tier clients and partnership opportunities.

VX isn't just a course - it's a complete community and ghostwriting career development system:

- **Lifetime Access** — Your skills evolve, and so does our training
- **Real-World Experience** — Not just theory, but actual paid writing opportunities
- **Mentorship** — Learn directly from ghostwriters earning \$10K-30K monthly
- **Client Connections** — Direct access to people who need your services

PROVEN RESULTS: Our data shows that most students achieve their first million-view thread within their first **5-10 attempts (within 30 days)**, providing immediate credibility that opens doors to paid opportunities.

THE INVESTMENT?

The typical ghostwriter in VX routinely charges \$ 300-\$700+ per thread, and they earn \$2,000-\$5,000 per month per client.

Imagine that for a second... \$5,000 a month, and all you do is write 2 threads a week. *P.S. A thread should take 1-2 hours to complete.*

With the skills, portfolio, and connections from VX, securing just **2-3 clients** covers your entire investment while launching a stable & sustainable career.

How am I so sure?

That's what clients pay me every month, and that's what I've been doing for over 2 years.

Many of our members secure their first paying client within 30-60 days of starting the program, with some able to quit their 9-to-5 job and achieve a full-time income within the first six months.

Investment in Genius Growth Xcelerator for Lifetime Access is a flat \$7,500.

Payment plans will incur a 10% fee and can be spread to a maximum of 3 terms.

- Complete viral writing training
- All professional ghostwriting tools
- Group mentorship and weekly feedback
- Portfolio development opportunities
- Lifetime access to the client marketplace

We are an invite-only program, so if you received this document, you have met our requirements and a suitable fit for VX.

Since the program is high-ticket with lifetime access, we do not offer refunds.
