

AGM 2025 - Membership Secretary' Report

We welcome Huw Willetts to the role of Membership Secretary, and he will step into the vacant position after Ceri left the Committee. Huw has been on the committee for a year and will be looking to bring fresh ideas to the membership portfolio.

We are looking to change our membership and financial season year ends to reflect the modern rugby season, that now extends into June. Membership and our financial year will be closer aligned, and we propose that the AGM is moved to September, this provides us with a suitable time frame to prepare the accounts and reports post season. We will bring forward the membership year by one calendar month to run from 1st August until 31st July each year and our financial year end will move from April to June.

Membership applications for the 2025-26 season will open on the 1st July and run from the new dates.

We have also instigated a rise in membership fees, we felt this was necessary to future proof our financial position and believe it or not it will be the first rise in membership fees for 10 years. We are hopefully heading into exciting times with the Stadium redevelopment, and we hope to be on the front foot when it comes to taking any opportunities that this may bring.
