## **Letter to Parents/Guardians**

The safety of all students is our top priority. Considering the guidelines stipulated by the IDPH and CDC, we have established the following protocol. These rules are intended for the well-being of all our students and guests:

1. To ensure a safe evening, we encourage students to be mindful of safe transportation to and from the event.
2. Because this is a school function, possession of or being under the influence of alcohol or other drugs will not be tolerated. Smoking and/or vaping is also not allowed at the event.
3. Your student's failure to observe these rules or inappropriate behavior will result in a call to you to remove your son or daughter from the event. If we are unable to reach you, this situation may require intervention by law enforcement authorities. In either situation, students of McHenry High School will face disciplinary consequences commencing on the following Monday.
4. Students will be required to wear masks at all times while at the event. Efforts have been made to keep students in small groups as much as possible. Students will be outdoors for specific rotations throughout the evening. Chaperones and administrators monitoring the event will do their best to ensure social distancing.
5. There may be times during the event that students may be in close proximity. Please make your decision with your student regarding attending the event knowing these precautions and possibilities.

In order for your student to attend the event, the parent permission form must be signed and turned in by April 19th. We know the safety of your student is of primary importance to you, and we thank you for your cooperation.
