

Privacy Policy for Shopping List App

Last Updated: 08-24-2024

Introduction

Shopping List respects your privacy and is committed to protecting it through our compliance with this Privacy Policy. This Privacy Policy describes the types of information we may collect from you or that you may provide when you use our mobile application, and our practices for collecting, using, maintaining, protecting, and disclosing that information.

1. Information We Collect

We do not collect any personally identifiable information ("PII") from users of the App. The App is designed to work entirely offline and does not require you to provide any personal data.

2. Data Storage

All data related to your shopping lists, including items, quantities, and categories, is stored locally on your device. We do not have access to this data, nor do we transmit it to any external servers.

3. No Third-Party Access

We do not share, sell, or disclose any user data with third parties. Since the App does not collect any PII, there is no risk of your personal information being shared with external parties.

4. User Control

You have full control over your shopping list data. You can add, edit, and delete items as you wish. Clearing your data within the App will permanently delete it from your device.

5. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy
