TEAMS:

1. [WG.EU](#) (BOTH WITH AND WITHOUT BIAS) - cohesive team, lukas on loch, ixy, toe
UNLESS: AUTO DROP MASTERCLASS, PLAY BAGEL
2. froyo - habib, branslam - most uninspiring froyo at a lan in a long time - LACK OF
AURA, might crumble under the pressure (internal) - b4nny midgame pause
3. [wg.au](#) - silvo, conor - silvo will drop 60 every map and conor might be the goat. I think
this might be the goat au roster.
4. g6 - kobe, soapy - one dimensional, only wins when soapy and kobe get to play. CAN
BE MEGA LAN ONLY GAMERS AND OWN EVERYONE. MOST AURA TEAM. when
theyre on theyre the best team in the world (need to all be goats)
5. balls team, slem, jay - 6 GOOD PLAYERS. ALSO A MIX. WILL LOSE TO REAL
TEAMS AND BEAT EVERYONE ELSE.
6. qmd
7. fairies
8. xiao
