it's a real page turner

I can't put it down.

Audacity and this will transcribe as long as you want with Google translate sometimes it will cut you off after a little while but here you can speak and speak and speak and then when you're ready to plug that into your document you click stop and it should be there 안녕하세요 저는 무서워요

What do you think of the suggested books?
Which ones look good (or not)?
What other books might you suggest?
What kind of book would you like to read for Book Club?

Choose one of the books you've read.

Provide a short overview
 - basic plot, setting, author information, etc.
Give a short personal review of the book.
    What did you like/dislike about it?
