

## Utrecht Philosophy of Astronomy and Cosmology (UPAC)

Utrecht University

[www.uu.nl/UPAC](http://www.uu.nl/UPAC)

### Directions to UPAC colloquium [mostly in BBG, sometimes in [DDW](#)]

In order to reach the Uithof (= Science Park), take the tram from Utrecht Centraal (platform B), heading towards Science Park P+R. Get off at **Padualaan** and head north ca. 250m to find the **Buys Ballot Gebouw (BBG)** behind the red **Minnaert Building**. In order to access the BBG, you must enter either through the **Minnaert Building** or the **Victor J. Koningsberger Building (KBG)**. The colloquium will typically be held on the third or fourth floor, **BBG** room 3.45 or 4.01, unless indicated otherwise. See map on the next page.

The **KBG** is wheelchair accessible. There is a lift located in the middle of the building, from the main entrance about 50 meters straight ahead. Going to the first floor and following the signs will take you to the **BBG**. There is a lift in the **BBG** located in the middle of the building, from the entrance out of the **KBG** about 50 meters straight ahead. You can request assistance from the reception of the **KBG**: tel. 030 253 7540.

You can check in and out of the tram using a debit or credit card. You have to scan once when you enter and once when you leave. If you prefer you can buy a ticket at the vending machines at Utrecht Centraal, on the bus/tram platforms. Remember to buy either a return ticket or a day ticket that would cover all your trips around Utrecht for that day.
