Welcome Back Spartans!

Message from our Principal:

Greetings,

It is with much excitement that I write this message to you after Thursday's news of a successful notice for Full Occupancy Permit as well as the School Committee's vote to open the first two days of the school year with early dismissals. We are looking forward to welcoming back our students for the school year and into this amazing new school building.

With that in mind it is an honor and privilege to welcome our students and households to the 2024 - 2025 school year and the first year in the new Stoneham High School.

The following information below is focused on the first two days of school and our plan to transition and orient our students to their new school building in a safe and comfortable manner. The goals of these first two school days are acclimation, orientation, relationship building with each other and teachers, safety and comfort.

Students are encouraged to come to school in their Spartan wear of blue and white and comfortable clothes and shoes as their first two days will include walking tours to familiarize themselves with the school and grounds and classroom locations. We look forward to welcoming our students next Tuesday, starting the 2024 - 2025 school year, setting the course for their continued learning and success and establishing new traditions and expectations brought on with this wonderful new school building.

Here's to a positive and successful school year of growth and learning, *Go Spartans!*

Best,

Bryan Lombardi

Principal
