[SFX: rock music, people talking/singing along]

[SFX: body impact/thud]

Oh! Sorry.

I kinda got shoved over here.

Hey! Geez, glad I'm wearing boots. They might be kinda hot, but at least no one's stepping on my feet!

Speaking of hot... how are you? (Giggle)

Yeah?

Hm, I'm okay.

This set is kinda... eh. I mostly came here to see Death at Your Door and Vampire's Demise. So this is a little more on the tame side, ya know?

Ooh, really?! I've always wanted to see them live! Maybe next year; I think they're going on tour again before Owen's wedding.

Mhm, he totally deserves it, I'm glad to see him happy. They're so cute together.

Actually, I think he met his fiancé at a concert. Not his; another band, actually.

Yeah, I think that's pretty cool. Meeting someone at a concert would be a dream. But I haven't really talked to anyone interesting except... well, you.

Do you want to step away for a few minutes? I don't think we're missing much, honestly.

So, what's a [guy/girl] like you doing alone here?

Sure. Okay, so we're both the weirdos who go to concerts alone. We've established one similarity!

Oh, thank you! That's really sweet. I usually get compliments that are a little more... extreme.

Just because I like showing off my body doesn't mean that I'm interested in everyone around, you know?

Sorry. Not trying to rant here. I think sometimes people \*say\* they want a big titty goth girl but they also don't want someone who speaks their mind.

However, with me, you can have both, for the low, low price of... free! Terms and conditions apply.

Oh, I promise, it's a great deal.

I know! I'm surprised my eyeliner hasn't melted off yet... Unless? Please tell me it hasn't.

Ugh. I put in effort to get the perfect wing...

I mean, I don't mind, but you're kind of staring. Is something else wrong?

What is it? My lips?

Oh, yeah. You like the black lipstick, don't you? I've been told it suits me. And you seem to be pretty fixated on it.

Yeah? Well, you don't have to be completely respectful... I'm okay with it.

Oh! That's pretty... lewd. I don't mind, though.

Mhm. I wonder if anyone would notice... if I got a little closer. We're just talking, right?

And if I touch you here.

Oh, wow. Even just feeling you through the fabric... fuck. That's really turning me on.

I mean, we're pretty much alone here. Everyone else is in the crowd, and this wall keeps us kinda hidden.

I'm feeling kind of daring. How about I slip my hand into your pants?

[SFX: pants rustling]

4M/TF: [Ooh, god, you're getting hard / turned on.]

4F/TM: [Oh wow, that's so hot, feeling how turned on you are].

You should feel me too.

[SFX: pants rustling]

I appreciate the chivalry, but \*yes,\* I'm sure!

I need you to touch me.

Mhm. That's just right. Keep doing that.

Your hands feel so good under my dress.

[4M/TF] I love stroking you like this... I can't help it, I just want to kneel and take you into my mouth.

[4F/TM] You feel so good. I want to kneel and taste you.

(Giggle) I know I'm getting my knees dirty from the ground, but you're worth it.

[4M/TF/F/TM] Mmm, what a perfect cock / girlcock / pussy / boypussy.

(Kisses)

Do you like it when I kiss every bit that's exposed? Leave little lipstick marks on you?

Mhm, I'm marking you as mine.

I might be just a little possessive.

But you chose me out of everyone here, so that tells me something.

I caught your eye.

And I'll prove that the spark that drew you to me is just the beginning.

Yeah, you can lean against the wall.

I would say to keep it down, but anyone who walks by can see me on my knees, so...

I'll just admit that I'm a slut for a cutie like you. Only you.

I want to please you.

I want you to grab my hair and grind your hips into my face.

Let me get you all messy with my lips.

[4M/TF] (Blowjob)

[4F/TF] (Cunnilingus)

(Pulling off, breathless)

You're amazing.

Oh, you don't have to— oh!

[4M/TM] Yes sir!

[4F/TF] Yes, miss!

Please, bend... do I really have to say it? I don't want someone to hear!

Okay. Please bend me over and fuck me like the slut I am!

[4M/TF]

I um, I'm on birth control. I know it's not as responsible as we should be, but I'd really like to feel you without a condom. And if you're okay with it, you can cum inside me.

I like the idea of being bred, cum dripping down my legs, letting everyone know what a slut I am.

You will?! You're amazing!

[SFX: wet sounds]

[4M/TF] Ohhh, your **cock** / **girlcock** feels so good going in. Inch by inch... there we go!

I can't believe you're fully inside me. This is the happiest I've been in months.

Now \*fuck\* me.

That's it, grab my pretty pink curls and \*rail\* me.

Sooo good...

I'm being fucked dumb by your **cock** / **girlcock**!

Make me into a little bimbo, please? I want everyone to hear us and know just how good you are.

—

[4F/TM]

Mmh, please, [**miss/sir**], I need your fingers inside me now.

Fill my greedy little pussy.

Ohhh, please, another?

Mhm, thank you. So good.

I wonder if anyone has noticed.

I'm being fucked dumb by your fingers!

Make me into a little bimbo, please? I want everyone to hear us and know just how good you are.

—

(Gasp)

Oh god, someone's looking this way.

No, you- you don't have to stop. Just keep going. I want to see what happens... just go slow. The light is over there, we're mostly in the shadows.

Oh my god... do you see what's happening? The hand inside their pants, not even bothering to hide it.

Does it get you off even more knowing that a complete stranger is watching us?

Good. Now make me cum while they watch.

---

[4M/TF/F/TM]

Show me off.

You heard me. I want it. I don't care if my hole is slutted out to everyone else here as a result, I \*need\* them to see how good you're fucking me.

I- how can I face them?

Oh! They're looking right at me... that's so embarrassing.

---

[4M/TF]

Watching me get fucked... your perfect [dick / girl dick] sliding in, balls slapping against my ass...

I'm so close. Cum for me. Fill me up and let me milk you dry.

[4F/TM]

Watching me get fucked... your fingers working my pussy so well, curling against my g-spot...

I'm so close. I want to cum for you. Make a mess on your fingers.

---

Fuck, they're looking right at me! I can't turn away— that expression is so hot.

Oh my god. I think they're going to cum!

(To voyeur) Do it. That's it, look at you being a slut. Watching a girl get fucked in public and cumming to her.

But you wanna know a secret? (Moans increase) It gets me off... too.

(Moan to orgasm)

Oh my godddd, I didn't mean to be that loud. Um, maybe we should take this back to my place? Maybe... all three of us, if you're okay with that?

Woah... um, I don't know if I can walk. Can I hold your hand?

[SFX: footsteps]

Um... hey. I'm glad you enjoyed our little show. Wanna come over and continue? I think I'm over this concert.

[SFX: music, footsteps fade out]
