GENERAL

- I only accept commission requests through Ko-Fi!
- I am unable to manually accept/reject a commission (as Ko-Fi requires payment upfront) so please make sure you've thoroughly read my ToS and are sure about commissioning me!
- Do let me know your twitter handle/email so I can contact you if needed! You can dm me at [ying | 莹 \(@milkkyemon\) / Twitter](#) or email me at milkkychild@gmail.com
- Once I have received your commission request, I will send you a message via your preferred means of communication.
- The final commission will be sent to your dms/email via a google drive link.

PAYMENT

- Please pay using the Ko-Fi commission page!

PROCESS

- I work on commissions based on my commission queue.
- The commission can take anywhere from a month to two months to complete due to my current schedule.
- I am also a pretty slow worker as I like taking my time to make sure I get all the details right!
- I will send you the sketch once it is complete. You are welcome to make any changes during this stage, but once I start on the lineart it's a no go!

USAGE AND COPYRIGHT

- You are not allowed to edit my art without my permission.
- No turning your commission into an NFT or using AI on it.
- I have the right to display the commission anywhere, be it on my socials or portfolio.
- You are free to post the commission on your social media or use it as your profile picture/banner **WITH PROPER CREDIT.**

COPYRIGHT INFRINGEMENT

- Reproducing/using my art commercially.
- Taking credit for my artwork, or not giving any.
- Removing my signature/watermark from the commission.
- If you commit any copyright infringement, all rights you have to your commission will be retracted.

REFUNDS

- I do not offer refunds. If you'd like to retract your commission, send me a dm on twitter and we'll talk something out!
