**\*\*Update about Epic! Yesterday we learned that logging in as you did last week is not working. So, give us a couple of days to work with Epic! and we will let you know when we have a solution that works for the entire class. The teachers can see that a couple of students have figured out how to continue, but we'd like to make the process as easy as possible for everyone. We sure appreciate your patience!**

Daily Tasks:

- Say your Bible verse: Titus 3:1 "Be ready to do whatever is good."
- Read for at least 15 minutes (you are welcome to use the Epic books during reading time)
- Practice your spelling words, you pick how (worksheet, oral practice, sidewalk chalk, etc)
- Complete Wednesday's "Fix Me" sentences.
- Keep a running list in your planner of your distance learning activities/lessons
- Take a look at the Co-Curricular teacher's BINGO board and pick ONE task to do each day. CHALLENGE: complete the whole board by Friday, March 27.

Today's lessons:

Begin math by watching the assigned BrainPop Jr.

1. Go to [www.brainpopjr.com](http://www.brainpopjr.com)
2. Login as you did on Monday.

Watch the video on Solid Shapes.

Try the quiz at the end of the video.

Then do the math boxes on page 200 of your math journal.

Use your math Homelink 8.5 and find a couple of items around your home or yard to complete #1-3. Then practice the addition at the bottom.

Keep going for Language Arts:

Language Arts:

Today we will try a modified Making Words lesson. You all know how we use three columns to write our words.

Print our [Making Words sheet](#) or use your own paper

Go ahead and draw two lines to separate your lists.

2 letter words

3 letter words

4 or more letters

First, we will just SAY the words the teacher made in the video. After you say each word, go back and play the words again, and stop the video to give you time to write each word in the correct column.

Tomorrow we will do some writing with these words!
