San Antonio Math Include

Truc is part of the Class of 2025 at Clements High School, Sugar Land, Texas, and is shooting for a career in code. She founded a tutoring effort at her school to teach fellow classmates effective test-taking skills and improve their writing abilities under pressure for AP courses. Truc is committed to the art of learning and is very enthusiastic about the growing field of technology. She hopes to assist aspiring learners of the subject through comprehensive efforts in order to ensure a level playing field for students of all backgrounds, since she herself is a first-generation immigrant.
