Dear Guadalupe Families,

As shared in last week's newsletter, we will begin our work to direct the future of Guadalupe ES by talking about our desires and dreams for the students and school. Please join us for our **1st Community meeting of 2023**. **Thursday, February 16th at 6:00pm.** We will share with you data about student performance and other applicable information to assist our work together. But we need you to share with us as well! We are sending you a questionnaire for you to share with us how we could make our school even better!!! Please respond to it, and return it to your child's teacher ASAP

We appreciate your child and their family being part of our Guadalupe community.

Ms. Martha Elena (Assistant Principal)
