2025-2026 VIP EARLY ACCESS PASS

We're excited to share an important update to CAP+S this year! We're introducing the **VIP Early Access Pass**, which will replace our previous membership program. While traditional memberships will no longer be offered, this new pass provides an exclusive benefit: **priority access to select your concert tickets before they're available to the general public.**

The **VIP Early Access Pass is \$40** and gives you early seat selection for all concerts except Fallapalooza. Please note that concert tickets are sold separately—**\$5 each for Fallapalooza and One Last Time, and \$10 each for the Holiday, Winter, and Spring Concerts.**

With this pass, you'll have the best chance to reserve your preferred seats and enjoy every performance from a great view. We hope you'll take advantage of this exciting new option!

Please complete the following information and return this form along with a check payable to **CAP+S** to the choral office by **Friday, September 5th**. If you prefer to pay electronically, please mark the box below to receive an invoice by email to pay online.
