

Your Name _____

Your Character Sketch (make it detailed)

Character's Name: _____

Write a basic profile/description--at least 5 descriptors that help identify the *essence* of your character. This is where you think deeply about who they are (this part is deeper than just what they look like. What are they passionate about? Who are they --deep down? What makes them tick?):

1.

2.

3.

4.

5.

Digging even deeper into your character:

- 1. What or who does your character trust?**
- 2. What does your character *want*?**
- 3. What does your character *need*?**
- 4. Write an anecdote (short story) that helps illuminate your character's personality:**

- 5. Other characteristics:**

Your Name _____

Your sketch of yourself (make it detailed)

A large, empty rectangular box with a thick black border, intended for a detailed sketch of oneself.

Write a basic profile/description--at least 4 descriptors that help identify the *essence* of who you are. This is where you think deeply about who you are (this part is more than just what you look like. What are you passionate about? Who are you —deep down? What makes you tick?):

1.

2.

3.

4.
