November 12, 2021

Dear Families,

Today, we were notified a student who attends Bensalem High School has tested positive for COVID-19. The student who tested positive for COVID-19 is in one or more of your daughter/son's classes. At this time there are no restrictions regarding attending school or participating in any activities.

We are also in contact with the Bucks County Department of Health and will take any additional steps necessary to protect the health of our students and staff.

The primary [symptoms of COVID-19](#) include shortness of breath, coughing, and fever or chills. Other symptoms include congestion, sore throat, diarrhea, abdominal pain, body aches, and loss of taste or smell. Anyone who needs medical care should call their healthcare provider to report an illness or exposure to COVID-19 prior to seeking care. We ask that you notify our school's health office if your child begins to experience symptoms.

The health, safety, and well-being of our school community remains our top priority. We are following sound protocols aligned with expert health guidance to ensure we are doing everything we can to protect the health of our students, staff, and families.

We are closely monitoring this situation and will provide you with updates if any further steps are necessary. Please visit our school website at <https://bensalemsd-bhs.edlioschool.com/> for the latest updates.

If you have questions or need to report a positive case of COVID-19, please contact our school nurses, Mrs. Edelman or Mrs. Brook at 215-750-2800, ext. 3005 or 3006 or [tedelman@bensalemsd.org](mailto:tedelman@bensalemsd.org) or [tbrook@bensalemsd.org](mailto:tbrook@bensalemsd.org).

Sincerely,

Mr. William Ferrara  
Principal  
Bensalem High School
