**INTRODUCTION** typed in capital letters [font Book Antiqua 12 bold, 800 to 1000 words]

The introductory section contains background on overcoming a problem, urgency, and rationalization of activities, literature review, problem-solving plan, activity objectives, and hypothesis development [font Book Antiqua, 11, normal]. Note to authors: Articles are 3000-4000 words long (including bibliography, notes, and tables). Each article will be tested for plagiarism

Articles are typed in Microsoft Office Word format. By using Book Antiqua font size 11, single-spaced on A4 paper. People who want the International Journal of Administration and Education (IJAE) in printed form can contact the journal manager.

**METHOD** typed in capital letters [font Book Antiqua 12 bold, 500 words]

The research method describes: the approach, scope or object, operational definition of research focus variable/description, place, population and sample/informant, main materials and tools, data collection techniques, and data analysis techniques [Font Book Antiqua, 11, Normal].

**RESULT AND DISCUSSION** typed in capital letters [font Book Antiqua 12 bold, 1000 to 1500 word. The research results and discussion sections are presented separately)

The research results are presented completely and according to the scope of the research. Research results can be supplemented with tables, graphs (pictures), and/or charts. Tables and figures are numbered and titled. The results of data analysis are interpreted correctly.

**CONCLUSION** typed in capital letters [font Book Antiqua 12 bold, 350 words]

The conclusion contains a summary of the results of the research and discussion. Conclusions are research findings in the form of answers to research questions or research objectives. [Book Antiqua, 11, normal].

**REFERENCES** typed in capital letters [font Book Antiqua 12 bold]

Contains referenced sources and a minimum of 80% in the form of literature published in the last 5 years. The reference list is written according to the American Psychological Association (APA) 7th edition. All sources listed in the bibliography must be included in the article manuscript. It is recommended that the scriptwriting and the situations referred to in this manuscript use a reference manager such as Mendeley, Zotero, RefWorks, Endnote, and others. [font Book Antiqua, 11, normal].
