		#chatroom is now #alaya
		Avalion joined #alaya
	Avalion:	Greetings, Shirou.
	HeroOfJustice:	If possible go by people's usernames. We all know each other, but it's standard online etiquette.
	Avalion:	I see. I'll bear that in mind.
		CrystalRose joined #alaya
	HeroOfJustice:	See, that wasn't that hard.
	CrystalRose:	speak for yourself. I barely even know what I'm doing.
	CrystalRose:	aren't things supposed to be happening in here?
		heartbreaker joined #alaya.

heartbreaker:	yo
Avalion:	Would it not be more prudent to refrain from using such a telling handle?
Avalion:	It does little to hide the nature of your Noble Phantasm, and as such, may reveal your identity.
heartbreaker:	you only know that because you've witnessed it firsthand
Avalion:	I would think 'experienced' would be more accurate.
heartbreaker:	are you dead
Avalion:	I should think the answer is obvious.
heartbreaker:	then you haven't experienced it. Not properly at any rate.
Avalion:	Before you offer, no thank you, I'll need to decline.
CrystalRose:	who's heartbreaker?
Avalion:	Lancer.
heartbreaker:	Like I don't know who all of you are already...
	InvisibleViolet joined #alaya.

		Sakura joined #alaya.
	heartbreaker:	who's that
	Sakura:	It's me, Sakura Matou.
	heartbreaker:	no I mean InvisibleViolet.
	InvisibleViolet:	I was given to understand that the reason for not using our proper names was fir the specific reason of hiding our identities.
	Sakura:	Oh. That's Rider.
	HeroOfJustice:	Uh...
	heartbreaker:	well, now I'm just stumped. I haven't even met them, but I have no idea what that could possibly mean.
	InvisibleViolet:	You've no reason to know and I've no reason to tell you.
	Sakura:	Rider, be nice.
	HeroOfJustice:	Sakura, it's all well and good
	HeroOfJustice:	that you're trying to keep an apparently hosile Servant in line
	HeroOfJustice:	ut as a rule, you shouldn't give out names/identities in a chatroom. The Internet isn't sae.
	HeroOfJustice:	*safe.

Sakura:	Oh.
Sakura:	I'm sorry Shirou.
heartbreaker:	HAHAHA! You're killing me!
Avalion:	I feel as though you may be missing the point.
HeroOfJustice:	It's alright.
HeroOfJustice:	No one we don't know is here right now, but I can't promise that will be the case forever.
InvisibleViolet:	Is that all you have to say, Hero?
HeroOfJustice:	Yes? Why?
InvisibleViolet:	I've been waiting to respond to Sakura's request for me to 'be nice,' such that I do not interrupt another conversation. To that end, I must say this: I am here to ensure your safety, nothing more.
heartbreaker:	o....k....?
Sakura:	but... there isn't anything you can protect me from here. It's the Internet.
Avalion:	I believe she may be planning to wait for someone to make an untoward comment, and thereafter intends to dispose of them.
nvisibleViolet:	. . .
Sakura:	RIDER?! Are you really thinking that?! Please, at least deny it!

		Archer joined #alaya
	InvisibleViolet:	I have no need to that.
	HeroOfJustice:	Oh great, always nice to have this guy around.
	Sakura:	WHAT?! You can't just go around killing people!
	Sakura:	Killing is bad!
	(Archer:	Mind=Blown.
	(Archer:	Moron...
	CrystalRose:	you're doing the dishes later archer
	Archer:	Heh.
	Archer:	Sure thing CrystalRose, let's see if that happens.
		Nobody joined #alaya
	HeroOfJustice:	who's this?
	CrystalRose:	who

heartbreaker:	nice name.
Sakura:	who?
Nobody:	Seems I have a welcoming party.
Nobody:	Somehow, I'm not surprised that the handle I'd have preferred has been taken and made unavailable to me.
Nobody:	In all fairness, I have to concede that this current username may actually suit me better..
CrystalRose:	Wait...
heartbreaker:	his guy is certainly articulate... good for yoi buddy. Make me look bad.
CrystalRose:	ARCHER?!
Nobody:	Have I startled you in some way, Master? Or is this because of the person already present and calling themselves 'Archer?'
CrystalRose:	no of course not and the second thing.
Nobody:	I see.
Sakura:	So if Nobody is Archer, then whos Archer?
	Archer is now known as SkyQuake.
Nobody:	Credit where it's due, that name isn't bad.
SkyQuake:	Well if I chose it, obviously it'll be a good name.

Avalion:	I cannot comprehend how you come to that conclusion based on such tenuous information.
InvisibleViolet:	You should not try to comprehend. The logic behind it is flawed on a fundamental basis.
InvisibleViolet:	The one previously calling himself Archer is my Master's brother.
CrystalRose:	oh, so it's Shinji.
CrystalRose:	HA! See?! Punctuation! This is simple!
	HeroOfJustice flicks CrystalRose .
CrystalRose:	What is that?
CrystalRose:	Actually, never mind, just cut that out!
SkyQuake:	Dare I even ask why you sound proud of yourself for using punctuation? You missed the capital in 'oh' by the way.
CrystalRose:	Also, what on earth would possess you to call yourself 'Archer'?
SkyQuake:	In case you weren't aware, I happen to be team captain.
CrystalRose:	captain my ass, you're vice captain at best and soon not even that if you keep skipping practice.
CrystalRose:	You're as much an archer as Emiya is a Knight of the Round Table.
	Nobody considers validity of statement.
SkyQuake:	how dare you?! BictH! Who th hell do ou think you are to talk to me lke that?! Who are you anyway?

CrystalRose:	An untouchable name who can now hide behind a computer screen, but also knows where you live.
HeroOfJustice:	Is it really necessary to make a jab at me for not managing to stay up to code with Chivalry.
SkyQuake:	whoever you are, you sound like the first time you ever touched a computer was a month ago, tops.
CrystalRose:	HeroOfJustice, how do I kill Shinji?
(HeroOfJustice:	WHAT?!
(SkyQuake:	WHAT THE ACTUAL FUCK?!
HeroOfJustice:	I... don't... this is a chat room CrystalRose. You can't kill people.
HeroOfJustice:	(I hope)
Sakura:	Uh oh.
Sakura:	Please don't fight.
CrystalRose:	you just flicked me. How do I do that?
HeroOfJustice:	oh, you mean THAT.
HeroOfJustice:	Thats a relief.
HeroOfJustice:	Though I have to say, I'm worried you'll abuse it.
	precede the rest of your text with '/me' (don't use quotations)
HeroOfJustice:	within seconds of me expressing concern...
CrystalRose:	thank you Archer.
	You're very welcome, Master.
	SkyQuake shanks CrystalRose and crushes their skull before any harm can come to him.

SkyQuake:	Go crwal into a hole and die.
CrystalRose:	you first.
	CrystalRose rises from the dead and shoves skyquake's head into a meat grinder.
HeroOfJustice:	holy shit...
HeroOfJustice:	Rose, don't make me take action against you, please.
CrystalRose:	You know you love me.
HeroOfJustice:	HeroOfJustice grumbles.
HeroOfJustice:	I was wondering, SkyQuake, where does that name come from?
HeroOfJustice:	it doesn't seem representative of you at all
SkyQuake:	It's my usual online handle if you mst know.
SkyQuake:	And at least it doesn't give away my identity the moment someone sees it, like yours, Emiya.
SkyQuake:	really
SkyQuake:	I'd put money down
SkyQuake:	that people the next town over could see the name HeroOfJustice,
SkyQuake:	and know it was Shirou Emiya.
SkyQuake:	because literally no one else thinks along that line.
CrystalRose:	I hate to agree with that weasel

CrystalRose:	Like you haven't got any idea how much I hate it.
SkyQuake:	stfu already.
CrystalRose:	But he makes a good point.
SkyQuake:	... Okay... Whatever, I guess.
SkyQuake:	Anyway,
SkyQuake:	I mean why does it to be a 'hero of justice' and not just a fking hero?
HeroOfJustice:	Because I need to be a specific type of hero.
CrystalRose:	You missed a word there, Matou.
SkyQuake:	You can criticize me when you can tell me what to do if a pop-up opens.
heartbreaker:	ya do seem kinda... slow on the pickkup with these computers. I mean if I can figure it out while drunk, you've really got no excuse Rose.
	SkyQuake grins with satisfaction.
SkyQuake:	Wait, you're druk?
SkyQuake:	*drunk?
heartbreaker:	My first master was great, but then some asshat ripped her arm off and stole her command seals.
heartbreaker:	and my new master sucks
heartbreaker:	I hate my job
SkyQuake:	Okay we get it.
heartbreaker:	I've had to kill innocent people.
heartbreaker:	and I can honestly say I'd take spending quality time with my old arch nemesis from back in the day over the company of the blonde bitchtacular shithead lurking in the basement.

	I reserve the right to get smashed out of my damn mind. I've fuckin' earnd it.
HeroOfJustice:	has anyone else noticed that his grammar seems to be improving?
SkyQuake:	come to think of it, yeah, it has. The hells up with thst?
Nobody:	So he can only spell correctly while inebriated. Strange. But I suppose I've seen stranger...
	Gilgamesh, The King of Heroes joined #alaya.
heartbreaker:	OH, FUCK!!!!
Gilgamesh, The King of Heroes:	It has come to my attention that you have initiated some manner of data-based social networking! I demand to know why I was not immediately informed of this development.
(CrystalRose:	two reasons
(CrystalRose:	we figured you'd rather not associate with the common rabble.
(CrystalRose:	and more importantly, we all hate you on par with, just for example, Shirou Amakusa.
Gilgamesh, The King of Heroes:	The insolence! How dare you?!
HeroOfJustice:	That IS pretty bad.
HeroOfJustice:	Actually though, I kind of like that trash in comparison.

(Nobody:	I can honestly say that you are my least favorite person.
(HeroOfJustice:	I can honestly say that YOU are my least favorite person.
HeroOfJustice:	. . .
HeroOfJustice:	I don't particularly like you either, Archer.
Nobody:	I've no qualms with that. In fact, I encourage it.
Avalion:	After the utterly hideous way you proposed to me, I'd sooner drink boiling oil than show you an ounce of respect, King of Heroes.
(HeroOfJustice:	WHAT??!!!!!!!
(Gilgamesh, The King of Heroes:	It was not your choice to make!
(HeroOfJustice:	YOURE NOT SERIOUS RIGHT?!
Avalion:	As a sword to the throat.
Gilgamesh, The King of Heroes:	And what business is that of yours, mongrel.
HeroOfJustice:	Well, I'm her master, just for starters.
Gilgamesh, The King of Heroes:	That was not a question, you insensate buffoon. Do you not have eyes with which to read a digitized message of a length less than fifty characters?
HeroOfJustice:	oh! I have an idea!
CrystalRose:	I'll get a broom and a towel to mop up the blood.
HeroOfJustice:	No, really, I've got a great idea.
	HeroOfJustice has kicked Gilgamesh, The King of Heroes.

Gilgamesh, The King of Heroes has been banned.

CrystalRose: wait does this mean he can't come back?!

HeroOfJustice: yes, that's exactly what it means.

CrystalRose: Marry me. Like, right now.

Sakura: Hey, guys?

(Later [maybe refresh the room and have people leave and rejoin immediately])

Traveler joined #alaya should be in there somewhere.

Sakura: Is anyone still here?

Avalion: Indeed.

HeroOfJustice: yes

Nobody: Yes.

heartbreaker: Yp

HeroOfJustice:	did you need something?
Sakura:	No, not really. Just a question.
(HeroOfJustice:	Ask away.
(Nobody:	I can't promise I'll have an answer.
(Sakura:	Which timeline or continuity is this?
	(Avalion has left #Alaya.
	(Nobody has left #Alaya. (That is an appallingly dangerous question)
	(CrystalRose has left #Alaya. (Youre on your own)
(heartbreaker	That's a loaded qestion if I ever heard one.
	(heartbreaker has left #Alaya
Traveler:	I like this room.
	I decidedly refused to give too many people intuitive screen names. We might be able to tell, but I needed things that would at least be difficult to connect in-character. Shinji is really the only one here who gets it perfect both in and out of character though.
