ACCESSIBILITY STATEMENT
Warrier Strategy LLC Accessibility Statement

Thanks for visiting our website! We understand that access to any website can be challenging for some people. We have made efforts to make this website accessible within the limits of our company's size, resources, and understanding of potential customers' needs.

1. Accessibility On This Website

We have several features and policies that can help you with accessing our website in a user friendly way. There are also additional aids available to you via third parties that you may find through your preferred web browser (for example, see Chrome accessibility extensions, Safari accessibility settings).

If you are having any difficulties navigating or using this website at all, please email us at info@vidyawarrier.com for assistance. We're happy to help.

2. Accessibility Disclaimer

Although best efforts have been made to make this website accessible, please know that we may not do everything perfectly. Our goal is to provide a safe, accessible website for everyone to use and enjoy. If you have any suggestions as to how we can improve accessibility on our website, please email us at info@vidyawarrier.com with those suggestions.

3. Third Party Disclaimer

Our website uses third-party software or "plugins" to perform certain functions and to maintain our website (and its safety). These plugins may or may not be accessible for every user. Since we don't have control over those plugins, we're unable to modify or correct them. We are not responsible for the use of, or inability to use, those plugins since they are outside of our control.

4. Closed Captions

If you identify a video of ours that does not contain closed captioning, please contact info@vidyawarrier.com so that we may provide them to you. We will make best efforts to provide those captions to you within 7 business days.
