

**Not there, yet.**

Name: \_\_\_\_\_

**1. How much time/effort did you put into this assessment? (be as specific as possible, when and how long did you work on this?)**

**2. What strategies did you use to prepare for/complete this assessment? (check all that apply)**

- ☐ Made a study/work plan
- ☐ Made Flashcards (for definitions, functions and locations)
- ☐ Created your own questions
- ☐ Created a mind map of all information learned
- ☐ Reduced all information learned to a singular sheet of paper (condense all the information)
- ☐ Drew and labelled diagrams
- ☐ Created a video
- ☐ Took a pre-existing online quiz
- ☐ Recorded yourself explaining, then listened to it while you went for a walk or a run
- ☐ Created manipulatives to move around
- ☐ Reviewed homework assignments and comments from the teacher
- ☐ Reviewed notes in notebook and on classroom
- ☐ Practiced discussing and writing explanations in detail (with pictures and examples)
- ☐ Watched tutorial videos online
- ☐ Saw a teacher/tutor for help
- ☐ Other: \_\_\_\_\_

**3. Please do your corrections fully, taking note what types of errors/mistakes you made.**

**4. What types of errors did you make? (check all that apply)**

- ☐ Didn't know how to do the work because you didn't understand what the assessment was asking you to do
- ☐ Didn't read the questions/criteria fully
- ☐ Didn't add enough detail but you knew the details
- ☐ Didn't review your previous mistakes to learn from them (you made the same mistakes)
- ☐ Didn't add enough detail because you didn't know or forgot the details
- ☐ Didn't know how to do the work because you didn't understand the course material
- ☐ Other: \_\_\_\_\_

**5. What will you do next time before submitting your project/assignment to improve your performance?**
