What's good Bryce,

I was watching the Garcia VS Davis fight on YouTube shorts and ran upon your video. I enjoyed that you commentated throughout your video to clarify the fight and the editing that came with it, definitely stands out from the majority.

I also noticed by the end of the short that you were promoting your "7-day Confidence Program" as free value, which led me to your web page. After deep analysis on the top players in the sports/health niche and figuring out the strategies they've been exploiting to make top-dollar from their products.

I've perfected the structure of email lists, which will build a community and get you sales on your programs. Also how they maintain their audience and keep them excited for the upcoming email. So below I've attached a document of a redid copy of the first email that you sent to your audience when subscribing to your email list, as a free value from me to you.

Sincerely, Andrej
