M. E. Raker Foundation
Application for Grant Funds – short form
This application is to be used only to request funding for a program that has previously been funded by the Raker Foundation in the past three (3) years. If this request is for a new program or organization, please use our expanded application found on our web site.

All grant applications must be submitted electronically through the foundation's web site at meraker.org. Please submit your organization's operating budget and project budget separately. Project budgets must be formatted according to the foundation's template.

Contact Information
Name of organization:

Web site:

Name and title of contact person for request:

Contact email address:

Contact phone number:

Request Information
Amount of this request:

If the amount of this request is greater than the award you've received previously, please explain the reason for the increase:

Total amount needed for this project:

Total number to be served by this request:

Please provide a brief (2-3 sentence) description of the proposed project:

Has your organization received any notice or communication from the Internal Revenue Service which may adversely affect your status as a publicly supported charity?

Report Information

Please use this one page to report briefly on the meaningful outcomes of your most recent grant, including the number of people served and any ways programs were adapted to meet changing needs.

Executive Summary: Please provide a one-page summary of your request, including needs addressed, project goals and relevant information about your organization, partnerships, and/or populations served.
