

# Privacy Policy for "Copy Chemical Formula!"

## Information Collection and Use

We do not collect personal data directly. However, our App integrates with Google AdMob to display advertisements. Google AdMob may collect certain data to provide better and more relevant ads to you. This data may include:

- Device information (e.g., device model, operating system)
- IP address
- Advertising identifiers (e.g., IDFA)
- App usage data

## Third-Party Services

Our App uses third-party services, including Google AdMob, which may collect data to provide personalized advertisements or measure ad performance. The third-party services we use are governed by their own privacy policies. Please review Google's privacy policy to understand how your data is used:

- [Google Privacy Policy](#)

## Data Usage

The data collected by Google AdMob may be used for:

- Displaying relevant ads based on your preferences or context
- Measuring the effectiveness of ad campaigns
- Complying with applicable legal obligations

## User Choices

If you are located in a region subject to privacy regulations (e.g., GDPR in the EU or CCPA in California), you may have the option to:

- Provide or refuse consent for data collection
- Opt out of personalized advertisements

For more information about your choices and how to opt out, please refer to Google's [Ad Settings](#).

## Security

We value your trust in using our App. While we do not directly collect or store personal data, we rely on Google AdMob and other third-party services to handle data securely.

## Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and we encourage you to review this policy periodically.
