Movie Notes for:

“Orochi - The Eight Headed Dragon”

1. Today's movie is Orochi, The Eight Headed Dragon
2. The universe sploded!
3. In the beginning...
4. The first gods were born
5. Weird, all of these gods have Japanese names.
6. It took 2 gods to make Japan.
7. So, the earth is 1000 years old.
8. RIght now, it is just the Universe and Japan that exist.
9. Down comes Crystal of doom.
10. How many years will it take? Wow that's fast.
11. Twin princes.
12. It is unfortunate that an 8 headed dragon appeared at the same time.
13. Very heroic theme!
14. Twins are bad.
15. The second twin is always evil.
16. Divine guidance makes you hate the younger twin.
17. Did they take the correct twin?
18. Drop him from the cliff
19. Rodan will save him!
20. Mecha-Rodan?
21. Now, would that be a bad omen?
22. A giant mechanical bird saves the unlucky child?
23. Dropped off at the ice shrine.
24. The emperor doesn't want the child to live, but the shrine will let him live.
25. He is the rain bringer, now he kills kids.
26. Suddenly 10.
27. Time to begin training.
28. No fair, he uses magic.
29. Ordered to not go into the cave, so....
30. Armed with a torch and a little sword.
31. He is teleported into the Farside cow god shrine.
32. He tries to take the sword from the stone.
33. He will be the warrior of the gods, cool!
34. He jumps the horse and ages 10 years.
35. The prince has received a pardon, for being born second.
36. The jewel will protect you. Be kind to your mother.
37. Off to the castle he goes.
38. The "psychic" plans to kill the prince. I am sure it will turn out fine.

39. He now has sideburns of power.
40. You are now a Prince too.
41. Mom, you're sick. Here are some deadly lotus flowers.
42. Mom is dead.
43. See, bringer of bad fortune!
44. Now we fight!
45. You die now! What, the charm protects him?
46. Kill their chief and make friends. Should be easy.
47. We now have a travelling party.
48. Their party needs a thief, perhaps they will get one on the way.
49. Don't touch the shrine, or die.
50. The glave???
51. Cast magic missile!
52. Ooops. Sorry about the mixup. We didn't know you were a prince.
53. I am not a thief. I hope my cleric spells will help.
54. Crap. The two have met.
55. The music indicates she is his love interest.
56. And now there are 4.
57. Just over these mountains. How long could that take?
58. Let's stop at this green screen.
59. So, they are sacrificing someone different?
60. The dancers will enter, but no weapons.
61. The snuck someone into the castle.
62. The big cheese is here to inspect the girls.
63. He has a big sword.
64. The old blacken the tooth trick.
65. The cages are protected by a god.
66. She is captured.
67. Now, she will be sacrificed to Kong.
68. Fun with Foley! That was quite the gate opening.
69. Now is the Kong dance to summon the god.
70. Get good and drunk.
71. These dancers are great.
72. Let the dancers out.
73. Now we have a fight?
74. Giant sword vs little sword.
75. Use your speed...
76. Meanwhile, the battering ram.
77. Only 20 more minutes and they'll be through.
78. Good thing they fell into the armory.
79. Those two can hold of those 30.
80. With guards like that, you need to be a good fighter.
81. That is a pretty good thrust.
82. Pulling it out will kill him.

83. Where is the girl?
84. I'll tell you ... wait, I am dead.
85. The creature from the lava lagoon.
86. That door wasn't really doing anything.
87. Fire those finger arrows.
88. For a god, he has terrible aim.
89. I have this cheap sword from the armory, I will take you on with it.
90. My amulet will morph me into a hero music playing jukebox!
91. Did we win?
92. Have some moon sparkles for your victory.
93. The mirror. We can kill the Gorgon now.
94. Three lights? This is the first one. I got to fight two more?
95. Let's meet again? Of course you will.
96. Now that you killed him, I need you to now kill someone else.
97. Can't anyone see that Wormtoungue is evil?
98. She has a flint that can cure Malaria.
99. You must bring back the sword, because Orochi is coming...
100. He's bad. Floods, hurricanes, volcanos, smog!
101. Protect the sword.
102. I will sneak in and just grab it then.
103. It was the mirror that was protecting it.
104. Don't try to stop him...
105. The signal has been sent. It's go time!
106. It's the old, wait by the side of the road trick.
107. Wait, it's yellow lotus flowers.
108. Let us brood on this hill.
109. You have the power of justice.
110. Let's sail it is our destiny.
111. Luke... go to the Dagoba system.
112. I am standing up here, but don't look.
113. I will summon ... the water god.
114. Her magic missile is getting stronger.
115. The forehead lightning misses. Made saving throw.
116. I will have a flashback. I must die for him.
117. Use the amulet numbskull!
118. Maybe splash some water on his face...
119. A quick breath and then, back at it.
120. Concentration spell ended.
121. I will pout in my cave like a man from Chile
122. Fooled you. You thought I was your mom.
123. Your monologuing may have cost you your life.
124. Space Godzilla will be here soon.
125. Like "Oh my god"!
126. Like a total eclipse.

127. Missed. He landed on the moon.
128. I was one of your fangs, isn't that great?
129. I have returned, but I am naked.
130. At this rate, it will be there by next Friday.
131. He has his sword. We're doomed.
132. By the power of Greyskull!
133. Let's pretend these model buildings are the ones you're in.
134. I now have a castle -- on the moon.
135. Here is the story of the first part of the movie carved in stone.
136. S'up cow god dude!
137. Leverage ... dude, use leverage.
138. Ole Susano?
139. Sword, mirror, what else?
140. YOu have the wild spirit.
141. Oto! You and her can kill the god.
142. Now, teleport to the moon and do your thing.
143. I am Yamato Takeru. You killed my father, prepare to die!
144. The sword of O Susanna.
145. Now fight!
146. Why didn't she attack when his back was to her?
147. The magic missile was just a distraction.
148. Eye power battle!
149. Light powers combine...
150. The moon base is no more.
151. Now the dragon portion of our Dungeons and Dragons adventure.
152. Flames? No fair!
153. Mecha-Rodan is the third light numbskull!
154. This is what all the imagery was talking about.
155. This is hero time. You can tell by the music.
156. The music stopped. Time for some dramatic stuff.
157. She lifted the mirror? What?
158. Sword to the cranium. Green gunk.
159. Does it have one brain? or 8? How does this work?
160. For a climactic battle, this is meh.
161. This is how the constellations are made.
162. Our hero isn't going to end up with the girl?
163. She dies again.
164. We now have 3 lights. Are there four lights?
165. He turned into a cgi robot?
166. Are you going to fight or just stand there?
167. Rope a dope...
168. My laser sliced off that head.
169. Now, it is sword time.
170. Heads flying off left and right.

171. Finish him!
172. Is that it? Have I won? What happens now?
173. It was all a d ream.
174. Seal him into the jewel and throw him into the sky.
175. Next time, he will be kind. Gods are like that.
176. Look, it is earthrise.
177. I hope that the temple is well ventilated.
178. Now to fly back to earth.
