*** new this year What is your postcode/zip-code?** [non-compulsory, short answer]

This question is not compulsory

We would like to do a map of population distribution similar to this:

<https://irevolution.files.wordpress.com/2013/06/screen-shot-2013-06-30-at-8-25-32-pm.png>

Any data used for this section will solely be used for the purposes of making a map and for no other purposes; we will not connect this data to any other question. We have chosen zipcode/postcode simply because there are many places with the same names and it is easier to process this data.

You may also choose to write any postcode/zip-code of the city/town you live in or another nearby region.

Longer response questions (non compulsory)

Due to the increase in subreddit size, its unfortunately no longer feasible for us to conduct extensive short answer questions - this was one of the reasons for the delay of results for census 2017. We will still include this section but shorter responses than in previous years

All responses will be limited to 25 characters (~4-5 words) due to time taken to collate.

What is your favourite BTS memory?

What is your favourite BTS memory from 2018

What is your favourite thing about BTS?

What is your favourite thing about [member]?

include individual mixtape(s), covers, collabs, etc... here instead of any of the above sections. You can include any favourite thing you like, it is not limited to these.

Other short answer questions (non-compulsory)

We will ask various favourite performance questions in the discussion thread. They will include:

- Favourite BTS performance
- Favourite BTS performance of 2018
- Favourite performance of [member]

QUESTION: would you rather this question be asked in the official survey or discussion poll?

Appendix

In 2016, we did not include Japanese discography as it was largely region-locked and available only in Japan. From 2017, we have decided to include Japanese discography and videography as it is no longer region-locked. Japanese releases are indicated with JPN, and will be included at the end of each list, but we have excluded Japanese singles and include minis and albums only.
