

What you need to keep in mind

Tech Screwers App and website IS OWNED AND OPERATED BY Tech Screwers, Delhi. BY USING THE WEBSITE AND APP, YOU AGREE TO THE TERMS AND CONDITIONS OF THIS POLICY. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS POLICY, PLEASE DO NOT PROCEED FURTHER TO USE WEBSITE OR APP.

We are committed to protecting and respecting your privacy. This policy (together with our website AND/OR application terms and conditions that apply to your use of our online services) sets in place the fundamentals based on which any personal data we collect from you or that you provide us, will be processed. Please read the following points carefully to understand our views and practices regarding your personal data and how we will treat it.

If we change our privacy policy, we will post the changes on this page with immediate effect, and may place notices on other portals. This will help you become aware of the information we collect and how we use it at all times. The continued use of the website and/or app will pertain to your agreement to any such changes. If you have any doubts regarding this policy, or on how we use and process your personal information, please contact us by sending us an email at techscrewers@gmail.com.

We are the sole owner of the data collected on the website and/or app. We commit to not sell, share, or rent this information to others in ways different from those disclosed in this statement. We may collect and process the following data about you:

The information provided at the time of signing up in our application and/or website. We may also store a record of correspondence when you contact us. We may ask your information purely for surveys that we use for research purposes, although you may choose not to participate in such surveys.

Web logs of your visits to our website including, but not limited to, traffic data, location data, other communication data and the resources that you access.

We use information about you in the following ways:

- 1.) We may collect either your contact information, relationship information, location information, analytics information or all of them.
- 2.) We may also store a record of your correspondence when you contact us.
- 3.) We may ask your information purely for surveys that we use for research purposes, although you may choose not to participate in such surveys.

IP ADDRESSES AND COOKIES

Web logs of your visits to our website includes, but not limited to, traffic data, location data and other communication data and the resources that you access.

We may collect information about your computer, including IP address, operating system and browser type, for system administration and to report aggregate information to our business users. This would be statistical data about our users' browsing actions and patterns.

We may also obtain information about your usage of the website by using a cookie file which is stored on your computer's hard drive.

Cookies contain information that is transferred to your computer's hard drive. These cookies help us to improve our website and to deliver a better and more personalized service. These cookies enable us to store information about your preferences and personalize our website according to your individual interests, speed up your searches and recognize you when you return to our website.

We allow advertisers and other third parties to place cookies onto your computer when you visit their website.

The cookies placed by advertisers and other third parties are used to keep track of the web searches you make while visiting their website, as well as your web surfing behavior on this website and other websites you may visit. This information is used to show you advertisements tailored to your interests on this and other websites, and/or to keep track of your response to each ad.

DIRECT MAILING

You can sign up for our event notifs through a personal email address at any of the sign-up boxes featured throughout the website or via our User Registration page. By providing your email address you agree to receive regular emails from Tech Screwers.

WHAT HAPPENS IF YOU REGISTER OR SIGN-UP WITH Tech Screwers TO SUBSCRIBE TO ANY OF OUR EVENT ALERTS?

We will be sending you information about our technical and/or non-technical events, 'free stuff', or other products and services that we feel may interest you through mails.

We may also send you information about other websites that we feel are relevant to you based on your preferences.

STORING YOUR PERSONAL DATA

All the information you provide us is stored on our secure servers. However, the password you create for your account should be confidential and you should not share your password with anyone.

Once we receive your information, we will use strict procedures and security features to try to prevent unauthorized access.

UPDATING/REMOVING PERSONAL INFORMATION

If any required amendments to your personal data is required then it is your responsibility to advise us.

If you no longer desire our service, please let us know and we will correct, update or remove your personal data provided to us.

We may retain any archive copy of any information you provide to us for records and for audit purposes.

USE OF THE PERSONAL INFORMATION

We use information about you in the following ways:

- 1.) To notify you with events, products or services which you have requested/availed from us or which we feel may interest you, considering your consent to be contacted for such purposes.
- 2.) To ensure that content from our website is presented in the most effective manner for you and for your computer.
- 3.) To enable you to participate in interactive features of our services, when you choose to do so.
- 4.) To notify you about changes to our service.
- 5.) To carry out our obligations arising from any contracts entered into - between you and Tech Screwers.

[NOTE: We do not disclose any information about identifiable individuals to our affiliate advertisers, but we may provide them with aggregate information about our users.]
