

# WILLISTON CENTRAL SCHOOL TEAM CONTRACT

I, \_\_\_\_\_ understand that in order to participate in \_\_\_\_\_ :  
Student's name athletic team

- I will attend all scheduled practices unless excused by the coach. An unexcused absence will result in reduced playing time at the next scheduled activity.
- My playing time will depend on my effort and performance in both practices and games.
- I will fulfill my academic responsibilities in order to participate in practices and games.
- I will be picked up after practice at 4:20 pm in the back of the building by the cafeteria. If my parent/guardian cannot pick me at the end of practice I will take the activity bus home which leaves the school at 4:20. I will inform my coaches and the athletic director that I will need to take the activity bus. If I am not being picked up by 5:00 and I can't take the activity bus home my family will make other arrangements for me to be in a safe place until I am picked up.
- In the event of an "away" game, I will make arrangements have my parent/guardian pick me up at the end of my game at the site of the contest. If I choose to ride home with another teammate, I will have written permission from my parent/guardian to do so.
- If I have any concerns or problems relating to my participation on a WCS team, I will speak to the coach directly or ask the team captain/s to speak to the coach on my behalf. I will not let a problem/concern negatively affect my teammates or myself.
- I know that playing on any of the school's teams is a privilege. I will follow school behavior policies while I am attending any function connected with my team. I know that if I break any of these policies that the coaches, athletic director, the planning room director, and/or school administrator may choose to remove me from the team.
- If I receive a major behavior reflection, planning room referral, or any major behavior, I will not participate in the next game. I will be expected to attend the practice or game and assist the team in any way that I can.
- My parents/guardian and I understand that in order to be a member of a school team, I must act respectfully to officials, players, coaches and other spectators. We understand that Williston Central School supports sportsmanlike behavior at all of our athletic events/competitions.
