

Sariah's Faith

By Monica Scott

**Sariah sought the
promise**

**Of an unknown
sacred land**

Filled with faith and courage

**She trusted in
God's plan**

**Though she did not
know**

But willing to go

She understood

God's plan for her

With faith in God

She left her land

With only hope and a plan

Because she knew

**When the Lord
Commands
And through her
faith**

She took a stand

Sariah blessed her children

**Through water, rain
and wild
With a mother's
love**

**She endured her
trial**

**Though she did not
know**

But willing to go

She understood

God's plan for us

Because I know when the Lord

**Commands and
through my faith
I'll take a stand**
