

G
though we walk through the valley of the shadow of death
C
there's an never ending comfort with every new step
G
and there's a love and a calm that we tend to forget
C
it is waiting there for us with every breath

D C
so cover me, eternally
G C G C
cloak me, cloak me, cloak me, cloak me,
G C D C G
cloak me, cloak me, cloak me in the light of the lord

G
when humankind fails and the earth goes wrong
C
there waits for us a stillness that has been there all along
G
a boat to climb onto when the floodwaters come
C
like a neighbors hand to grab and hold on

D C
as it's pulling me, to safety
G C G C
cloak me, cloak me, cloak me, cloak me,
G C D C G
cloak me, cloak me, cloak me in the light of the lord

G
may we remember that his eye on the sparrow
C
we are cared for in soul and flesh and marrow
G
and may we remember to carry that spirit with us
C
and to care for the ones in great affliction

D C
and love equally, the saint and sinners beside me
G C G C
cloak us, cloak us, cloak us, cloak us,
G C D C G
cloak us, cloak us, cloak us in the light of the lord
