Oriya Segment

- **Classes 9th–10th:** Odia and English
-

Key Responsibilities

- Deliver high-quality and curriculum-aligned online video lectures in the regional language.
 - Prepare structured lesson plans, presentations, and subject-related content.
 - Collaborate with content and academic teams to ensure consistency and clarity in delivery.
 - Address student queries through live sessions and discussion forums.
 - Localize educational content in accordance with regional language and state board standards.
-

Qualifications & Skills

- Bachelor's/Master's degree in the relevant subject.
- Native-level fluency in **Malayalam / Assamese / Tamil / Telugu / Odia / Bangla / Marathi / Kannada** (spoken and written).

- Prior teaching experience (online/offline) for State Boards or Competitive Exams (JEE/NEET) is preferred.
 - Strong communication, presentation, and content delivery skills.
 - Passion for teaching and creating meaningful impact in regional education.
-

What We Offer

- Competitive salary aligned with industry standards.
- An opportunity to shape the future of vernacular education across India.
- Career growth within one of the country's most trusted ed-tech platforms.
- A collaborative, purpose-driven, and inclusive work culture.
