Ark Day 1

- TP Luxerion

Day 1

(Chronostasis up to 4 times during this day after train to Yusnaan. You need a chaos spawn kill and one more Gurangatch. If you don't get the Gurangatch, don't Chrono a third time and instead pick up a third crux. Day in this case will alternatively end after second crux piece so next day simply open gate and use South Temple Cactuar, if this happens fight the way through 3rd tablet shrine. Remember, odd time is needed for Ruins.)
