

Hey, [insert name]

[insert compliment]

Whilst staring at your website I discovered a few points you could touch on...

My mind is overflown with countless ways that could completely change your business in the upcoming months (if you tried them out).

I could have kept them to myself or asked for money, but I didn't do that.

Here's a sneak peek of what I have in mind for you -

If you're ready to take your business to the level it deserves to be at, let's schedule a quick 15-min call to discuss what you can do to get there.
