8th Grade Promotion Celebration (8th Grade Parents Only)

The school year is quickly coming to a close. One celebration coming up for 8th grade only is the 8th Grade Farewell and Awards. We will be continuing the outside celebration so there is no limit on how many of the family can attend in the drive-thru style celebration. Each student will be able to exit their car, "cross the stage" outside with the principal, receive their promotion medal and flower and then walk the line of teachers to be celebrated. At the end of that line, they will receive their folder of awards from the teachers. The Farewell is on Wednesday, June 11th and starts as early as 5:30 and will go to about 7:30. You can come anytime during that window of time. This [link](#) will show you a map of the route with the entry on 27th street. It will take as long as the line of cars. We have an outside stage that, as the car comes up, the students can get out and walk the stage to get their medal while family can get pictures. We just ask that someone stays in the car, so the line keeps moving. In addition, that evening, we will release the celebration video with different student speeches and other awards that can be watched from home with family. Usually early in the line of cars takes longer while later in the window of time can go quicker. Please let us know if you have any questions.

Half Days

Our final half day of the year will be Thursday, June 12th (Last day of the school year). **Please be aware that students are done at 11:40 am on that day.**
