The Learning First Schools Model

A Comprehensive Framework for Instructional Leaders

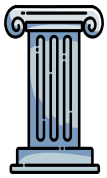

PILLAR 1:

Culture is Key

Build a thriving school community through intentional relationships, proactive communication, shared mission, and collective commitments that give every stakeholder a voice.

Relationships · Communication · Shared Vision

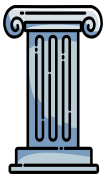

PILLAR 2

Systems & Processes

Guarantee a viable curriculum aligned to state standards, drive instruction through high-quality assessment data, and deliver evidence-based Tier 1 instruction with consistent coaching and feedback.

Curriculum · Assessment · Coaching

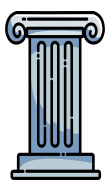

PILLAR 3

Leader Learning

Leaders grow continuously by actively engaging in PLCs alongside teachers, modeling instructional strategies, and fostering a non-negotiable growth mindset throughout the building.

PLCs · Growth Mindset · Modeling

PILLAR 4

Build Internal Capacity

Develop shared leadership at every level through distributed roles, collaborative PLC practices, data-driven decision making, and intentional cultivation of teacher leaders across the school.

Shared Leadership · Teacher Leaders · Data Teams
